In BTY Systems you shall find the latest State of the Art equipment in the Beauty sector. This is due to PHC Cosmetic's proven track record, an entrepreneurial group with more than 20 years in the professional Beauty market.

We feature a great team of professionals, constantly seeking out the most advanced technologies, focused on providing the best solutions to our clients, cooperating and consulting with each beauty machine user, to provide the best treatment for each need.

Our fundamental commitment is to client satisfaction, to which end we count on great technical service and post sales support, among other resources, to provide peace of mind for our customers, who know all their questions will be answered.

BTY Systems offers services to distributors and consumers throughout Spain, as well as to PHC Cosmetic's client roster and their new franchise: Depil-Time beauty systems, a revolutionary and innovative project within the franchise business
